Unrivaled efficiency

Highly efficient with 180 lm/W.
For low energy costs and
rapid amortization.

Silica 21 Prismatic

Silica 21 Prismatic
Rectangular surface-mounted

Technical specifications

Luminous flux: up to 5,500 lm
Output: up to 36.6 W
Luminous efficacy: up to 180 lm/W
Service life: up to 100,000 h L85 at Tmax
Light distribution: wide beam / wallwasher

Silica 21 Prismatic
Rectangular pendant

Technical specifications

Luminous flux: up to 7,800 lm
Output: up to 51 W
Luminous efficacy: up to 180 lm/W
Service life: up to 100,000 h L85 at Tmax
Light distribution: wide beam

Valid for all Silica 21 Prismatic variants:

Optics concept

Microprismatic optics, UGR < 19

Light colors

3,000 K | 4,000 K | Tunable White, CRI > 80, >90

Drivers

DALI 2, DALI DT8

Mounting

Pendant set, single / strip arrangement, through-wiring
