

sITeCO

NEW

Silica Flat

The family for your office.

A luminaire series for the entire office.

Timeless elegance and unrivaled efficiency meet limitless flexibility.
The new member of the Silica family fits easily into any office environment.

Quantum leap in office lighting.

Infinitely flexible

A wide range of installation options for flexible interior design – ideal for refurbishments and new builds. Tool-free opening for quick installation and maintenance.

100 % Modular

Sustainable, modular product concept manufactured in Germany - for simple and individual customizing options according to your requirements.

Outstanding lighting technology

Timeless, modular design.
Natural color rendering (up to CRI 90)
and our prismatic optics for glare-free,
uniform light.

Unrivalled efficiency

Highly efficient with 180 lm/W.
For low energy costs and rapid amortization.
