Spot 11 / 21

Quantum leap spotlight.

Staging to the point.

Made in

Traunreut

A unique combination of lighting technology,
timeless design, and groundbreaking efficiency.

Quantum leap spotlight.

Flexible

Thanks to various light colors, beam angles, sizes, and housing colors, the Spot can be used in retail, showrooms, reception areas, and much more.

Precise

Thanks to its smooth joint, the spotlight showcases your desired object in no time.

Innovative

Powerful, brilliant lighting accents – without glare. Even, precise light distribution with a soft fade. Perfect lighting atmosphere, maximum visual comfort.

Efficient

Up to 170 lm/W, for reduced operating costs and a faster return on investment.
